## PROCEDURE & CONDITIONS

Please note that Group Registration process is slightly different than individual online registration.

1. A Group Registration Form should be filled in, signed and submitted by the Group Representative and sent to [qrmh10@symvoli.gr](mailto:qrmh10@symvoli.gr) by **April 30<sup>th</sup>, 2025**.
2. The Group Registration Form is a list with the names and e-mail addresses of participants, indicating also the person acting as a **Group Representative**. The personal emails of all participants are requested along with the email of the group representative, and this is a precondition for the Group Registration to be valid.
3. All names listed in the group registration form should be included by the Group Representative under the condition that there is a written request/consent by the members to be registered on this list. Please note that the names in a group registration list can only appear in one submitted Group Registration Form.
4. After April 30<sup>th</sup>, name substitutions can be made on the group registration list, maintaining however always the same number of group members submitted on the initial form. The group maintains the option of replacing a name on the list free of charge until 10<sup>th</sup> of May 2025.
5. The number of group members should be the minimum (or above) of the number required (5). If a cancellation results in a smaller number than the required, either the member should be replaced or the group registration will be cancelled as a whole. Please note that all these changes must be made by **10<sup>th</sup> of May 2025**. After the submission of the group the number of group participants cannot be changed.
